*Under most conditions

The BASF Summer Promotion applies only to Qualified End-Users (pest management companies, government, and state municipalities). Resellers are excluded. Agency Termidor orders must be purchased from a BASF PCS Authorized Agent and be invoiced and delivered between July 1, 2021 and July 31, 2021. For Agency products, End User will receive net 30-day payment terms through August 20, 2021. End User account must be in good credit standing to receive terms. Terms are given at the discretion of the Agents. All Agency Termidor is sold on behalf of BASF. All sales are final. All Non-Agency Products, including Advance Baits, Alpine WSG and Dust, PT Fendona, Fendona CS and Termidor Foam must be purchased from a BASF PCS Authorized Distributor and invoiced between July 1, 2021 and July 31, 2021. End-User sale price and terms for All Non-Agency Products are determined by the Authorized Distributor. BASF PCS Authorized Distributor participation for Non-Agency Products may vary. All products may not be registered for use in all states. Please check with your distributor, state, or local extension service for details. BASF reserves the right to cancel or modify this program at any time.

Always read and follow label directions. Advance, Alpine, Fendona, PT, Termidor and the Termidor logo are registered trademarks of BASF. ©2021 BASF Corporation. All Rights Reserved.

The Perimeter Pro Playbook: Keys to the Game

Commit to an IPM Strategy

- Start with an inspection
- Employ exclusion strategies to deny pests access to the home
- Address habitats where pests can hide and breed
- Use physical, mechanical and chemical control

Choose the Right Starting Rotation

- Select your star players based on pest pressure and seasonality
- Rotate between your star players based on their modes of action
- Tailor your plan to reflect the frequency of service provided

Build a Bullpen of Trusted Specialists

- Be ready with a bullpen of targeted products to troubleshoot tough situations
- Choose products that are reliable and easy to use
- Know when it's time to make a critical substitution of action

Tailor your plan to reflect the frequency of service provided
